

Resident Nipple Adapters

Female DISS-1240 to Hose Barb Adapter

- ALL Metal Construction for Durability and Reliability
- Knurled Nut Swivels over Nipple for ease of use and prevents tube kinks
- O-ring seal for maximum leak prevention
- Stainless Steel chain and connecting ring to enhance ease of use and to prevent loss
- 2- 1/2" Standard chain length with other lengths available
- Three Barbs for use with a wide variety of tubing
- All adapters are cleaned for oxygen service
- Available in Seven different Colors of Anodized Aluminum Knurled Nuts for easy identification of different flows
- Available with fixed flow orifices of 0.5 LPM to 25 LPM
- Flow orifices available in 20 psi, 50 psi and 58 psi

Ordering Information:

HBD22	Green Hose Barb and Silver Knurled Nut
HBD2	Green Hose Barb and Green Knurled Nut
HBD24	Green Hose Barb and Yellow Knurled Nut
HBD25	Green Hose Barb and Blue Knurled Nut
HBD26	Green Hose Barb and Red Knurled Nut
HBD29	Green Hose Barb and Black Knurled Nut
HBD2A	Green Hose Barb and Purple Knurled Nut

Resident Nipple Adapters

With Flow Control Orifices

Available without Chain Length or extra Chain Length

HBD0-xx-xx	No Chain
HBD2-xx-xx	2- 1/2" Chain Length
HBD4-xx-xx	4" Chain Length
HBD6-xx-xx	6" Chain Length
HBD8-xx-xx	8" Chain Length
HBDA-xx-xx	10" Chain Length

Brass Orifice Insert for precise flow control

Available in 20 psi, 50 psi, or 4 BAR (58 psi)

HBD2-20-xx	20 PSI	Green Knurled Nut
HBD2-50-xx	50 PSI	Green Knurled Nut
HBD2-58-xx	4 Bar (58 PSI)	Green Knurled Nut

Flows indicated twice on Nut

Pressure indicated twice on 20 psi and 4 BAR (58 psi) only

Custom Color Coded combinations available

HBD24-xx-xx	Green Hose Barb with Yellow Knurled Nut
HBD25-xx-xx	Green Hose Barb with Blue Knurled Nut
HBD26-xx-xx	Green Hose Barb with Red Knurled Nut
HBD29-xx-xx	Green Hose Barb with Black Knurled Nut
HBD2A-xx-xx	Green Hose Barb with Purple Knurled Nut
